SERVICES THAT MEET YOUR NEEDS

Training & Education
We offer customized workshops, webinars and training courses on disability education and inclusion, adapted physical activity, inclusive nutrition, mental wellness, leadership development, disability employment and more. Delivered live and on-demand.

Program Adaptation
We provide support to design, adapt, or grow disability inclusive programs in areas such as fitness, recreation, health, nutrition, and facility-based membership.

Consultation & Technical Assistance
We meet organizations where they are related to disability accessibility and disability inclusion. We consult with public health organizations, schools, nonprofits, and corporate partners to perform needs assessments, gap analysis, policy and program analysis, accessibility audits, and more.

Communication & Dissemination
We co-create and distribute disability inclusive health promotion and advocacy campaigns, leveraging our national networks to amplify impact. We maintain in-house services in videography, photography, and graphic design.

Nonprofit Management
We offer custom services to help your organization thrive including accounting, project management, HR services, instructional design, corporate wellness, IT accessibility, program evaluation, nutrition counseling, and health coaching.
